Note

Was there any shop at Kreinkere either during the two years in question or at any other time? Are there any Toddy Groves in the Village & if so are the trees thereon tapped for the benefit of any Arrack Shop? Does the Tannadar entitle the Inamdar of this Village to any Toddy Revenue? What is that to show that the payment of Rs 300/- which Distt Contractor used to make, was an ape of both this Village and Gyanagund? No enquiry seems to have been held or finding recorded The Dy Comrs order seems based entirely on surmise. An investigation should now,

received 22.9.

The Dy Comm'r's further report shows that the Iramdar's claim to the Eddy revenue of Arsikere in Mysore taluk should be disallowed while his claim to Sanyasana in Nanjangud taluk must be admitted. The petr Puttanna's contract includes the village of Arsikere and not Sanyasana. The deposit of Rs 500, the Dy Comm'r says, may be returned

= It is to be feared the investigation has not been quite

"formal" as directed by
the Proc of 1893

The asst Comm^r says in
his finding that the Inamdar
"genuinely" has nothing
to say to the above facts
It would have been most
satisfactory if the Inamdar's
statement had been taken
& the Inamdar admits
that he has no claim to
the toddy revenue of
Arsunkere; then the deposit
of Rs 500 may be returned
to the petr. Otherwise
there would be a separate
appeal from the Inamdar

The following petitions from —
Chelua Iyengar alias Sampathu Iyengar
Inamdar of Dudgere Village, Mysore
District, in the matter of his claim to
the Toddy Revenue of that Village: —

Registered No. 4140 dated 26th June 1896
— Do — 2987 — do — 3rd April 1897
— Do — 390 — do — 3rd August 1897

(2) Also letter No. 462/50 dated 17th July 1896
from the Excise Commissioner in Mysore
forwarding with his opinion the record
of the enquiry relating to the above claim.

Order thereon No. 6621/Ex 238
Dated Bangalore 19th January 1898.

Of the documents relied on
by the petitioner, the Sannad of 1827
does not expressly authorize the levy
of Abkari Revenue, and the term
alienated does not include toddy
arrack or drug. The Inam-Title-Deed
acknowledges the Inamdar's right to
"the" revenue accruing from date
trees"; but this is a very different
thing

from "Excise Revenue" or "Right of Arrack", which, the same title-deed expressly reserves to Government. Under the circumstances, the petitioner is entitled under the new system of toddy administration, to no more than the tree-rent from the Dale grove in his Inam Village minus the cost of collection. The tree-tax as well as the revenue derived from the shop should be credited to Government.

Note

Letter no 184 dated 29th April 1898 from the Dy Commr Mysore District recommending the refund to Nilgiri puttanna of Rs 500/- said to be held in deposit in connection with his late toddy Contract

In his petition dated 18th September 1894, Sowcar Nilgiri puttanna, late toddy Contractor of ~~the~~ prayed for the refund of Rs 500/- said to have been withheld ~~in deposit~~ by the Deputy Commr Mysore Distt in connection with the claim to toddy revenue of certain the Inamdar of Arsikere village. The petition was referred to the Dy Commr & he reported as follows:—

"The petitioner Nilgiri puttanna held the toddy Contract of the Mysore & Seringapatam talukas from 1st April 90 to 31st March 92 and A. C. Moodappa,

of the Nanjangud & four other
taluks for the same period.

Arainkere in the Mysore
taluk and Ganagnur in the
Nanjangud taluk were included
in their leases. They are both
inam villages belonging to Mr Gopal rajurs
and have been under Government
management.

The persons that held
the Contract of the whole District
prior to 1890 were paying the inamdars
a lump sum of Rs 300/- per year
on account of toddy Revenue for both
the villages referred to above.

The toddy revenue of these
villages at the same rate of Rs 300/-
became due for 1890-91 & 1891-92
from the petitioner & R. C. Moodappa
and they were accordingly directed
to pay up the amount.

R. C. Moodappa agreed
to pay half the sum on account of
Ganagnur village but the
~~Govt~~ petitioner ~~refused~~ argued that the sum
of Rs 300/- a year should be
divided ~~between them~~ in the
proportion to the amounts
actually realized for the
villages at the sales held
by Govt since the introduction
of the new toddy system in 1892-93

According to the sales held by Govt the following sums were realized —

	1892-93	1893-94
For Ganaganur village.	72/-	108/-
" Arsinkere "	"	"

The result showed that nothing was due from the petitioner for Arsinkere village.

On this, the former Dy. Commr directed that R. B. Moddappa should pay Rs 200/- for Ganagnur and that Narasimmappa, the balance viz Rs 100/- for Arsinkere & for carrying out this order the sum of Rs 500/- one of the deposits made by the petitioner has been withheld."

On the above report of the Dy. Commr did not furnish complete information, Govt in their proc. no. pol-736 dt 24/9/95 made the following enquiries viz

(1) whether there was any shop at Arsinkere village either during the two years in question or at any other time

(2) whether there were any

toddy trees in the village, if so whether the trees therein were tapped for the benefit of any & what shop.

(3) whether the Kannad entitled the inamdar of the village to any toddy revenue.

(4) whether there was any thing to show that the payment of Rs 300/- which the Distt. Contractor agreed to make was on account of both this village and Kanagurve.

The Dy. Commr was further requested to submit his decision in the matter after holding an investigation into the matter.

The Dy Commr in his letter under disposal replies—

that according to the enquiry recently held, there existed no shop in Arsinkere either during the two years in question or for a long time anterior thereto.

That there are no toddy trees in the village from which toddy is drawn for the benefit of any shop.

That with regard to the payment made to the inamdars

9

In ~~fasli~~ previous years, it is found that the exact ammnt is Rs 304-13-4 per year and not Rs 300/- and that that payment was for both the villages, and that, as per enquiry held into the Inamdar's claim of ~~Inamdar~~ to toddy revenue, it is found that the claim is admissible in the case of Ganapur ~~of [illegible]~~ ~~to~~ but that in the case of Arsinkere village, the claim has been disallowed in the light of the Government order ~~in a similar cases~~ no 6621/Sr 238 dt 19th January 198 and other facts cited above. (vide copy of the finding enclosed).

The Deputy Commr states that ~~recommends~~ under the above circumstances, N. puttanna is not liable to pay anything to the Inamdar and accordingly recommends that the ~~deposit sum~~ of Rs 500/- held in deposit may be returned to the petitioner

As directed above, the Excise Commissioner was requested to report on the marginally noted points and in reply he states in his letter under reference as follows:—

That on careful examination and enumeration of the date trees existing at Atsinkere, it has been ascertained that there are altogether 657 date trees in it, all of them being fit for tapping and that 4 of them which are very old, even bear incisions indicating that toddy was used to be drawn during

*Query No1. There was no toddy shop at Atsinkere either during the two years in question or for a long time previously, nor are there any date trees in it. How then was the Contractor liable to pay any money to the Inamdar?

during the District Farming Contract System, and that as the District Contractors under the old system used to keep some shops open and close others according to their convenience, they were liable to pay the Inamdar the amount due to him on account of toddy Revenue of the village.

That the old District Contractors who were thus liable to pay the amount on account of toddy Revenue of the village, were to blame for not setting up a shop at Arsikere where one appears to have existed before 1875.

Replies

Nos 3. Has any shop been opened since 1892-93?

No 4. Has Govt. paid the Inamdar on account of Arsikere since 1892-93?

See No 13 (a) Col. page.

Replies to queries Nos 3 & 4 were found in the following terms in the copy of the Deputy Commr's order, and consequently they were not communicated to the Excise Comm.

"Since the new toddy administration came into force in 1892-93, there is neither shop in the village, nor has the bab been sold."

As already reported, the Inamdar has been in the receipt of toddy Revenue on account of both these two villages up to 1889-90, at the rate of ~~Rs~~ 304-13-4 per year. The question is whether the Inamdar of Arsikere and Gangaur villages

villages, is entitled to the payment of toddy Revenue of the villages from the old District Contractors for 1890-91 and 1891-92, ~~as~~ as in pre vious years, and if so what amount should be withheld out of the sum of Rs 500/- deposited by Vilgiri Puttanna on account of Arsikere which was included in his Circle during the two years in question.

During these years, (i.e., 1890-91 and 1891-92) the two villages, one realising some revenue and the other none, were each ~~were each~~ included in areas farmed out for two different Contractors, and hence the

dispute

4)

dispute arose as to how the payment should be regulated for each village separately.

After some enquiry made, the Deputy Commr settled once in 1895 that the payment ~~should~~ should be made by R. C. Muddappa and K. Puttamma in the proportion of 200 to 100 for the villages of Gangavur and Arsikere respectively. Whether this settlement was agreed to or not by both the Contractors, is not known.

In the subsequent enquiry

in 1898

enquiry held into the
Inamdar's right to
toddy Revenue of the
two villages ~~in 1898~~,
the claim to toddy Re-
venue of the Arsikere
village was disallowed
in the light of the Go-
vernment Proceedings
No. $\frac{6621}{238}$ dt 19-1-98 (passed
in the case of Dudgere
Inamdar's right to
toddy Revenue) in which it
was laid down that
"the Revenue accruing
from date trees" is quite
different from "the Ex-
cise Revenue" or "right
of Abkari". The Excise
Commr, however, differ-
ed from the Deputy Commr,
and

and reported in his previous letter No 1115/57 dated 8th August 1898, that the order passed in the Government Proceedings quoted, was not applicable in the case of Arsikere as the circumstances existing in each case were quite different.

If under the circumstances set forth above, the Inamdar is entitled to toddy Revenue of the Arsikere village for 1890-91 and 1891-92, the question reduces itself to — what deduction should be made on account of the toddy Revenue of the village in question out of the Sum of Rs500

From the recent sales it is clear that Arasuvare is much poorer than Ganagavaram. If we take the proportion of recent sales Arasuvare would not be liable at all. But this is no criterion as the contractor must have been indirectly benefited and probably Arasukere's share now goes to swell the Revenue of some other place.

A rough division is therefore necessary and I think the 300 rupees a year may be apportioned at 2/3rds or 200 rupees for Ganagavaram and 100 for Arasuvare. If Puttanna agrees his claim may be settled at once subject to future order of Government. Collect balance from Muttappa. I assume that it is

of the Govt. Pro. notes produced by him fo
deposit all of them were returned to him
Except that of Rs. 500/= that though he
has been requesting for the return of the
amount for the last 2½ years yet he
has been pleased to comply with his re

villages belong to Varavanamy an
that Rs. 500/= should be paid to him

dollars annually and that out of which two-third
of the amount should be paid to Ramanna and
one-third to Krishnakere - that this decision
is unjust - that his deposit amount has no connection
with the amount due to Sarvamangalamma - that
they have not sued him for the amount - that the
Sarvamangalamma are not entitled to any such amount
for Krishnakere - that they have not established their right
thus by the production of Kaulnamas &c. - that neither the
former nor present Contractors have ever paid this
amount to the Sarvamangalamma - that though he
requested that the matter might on Examination of Accounts &c
be settled yet he without enquiry decided the matter without
any Enquiry against him - that the Dy. Comr. instead of Enquiring
and directing that he should pay the same amount which the
former and the present Contractors used to pay to Sarvamangalamma
has simply ordered him to pay one-third portion - that Chikka-
-huddappa and he are not joint Contractors - that he is not responsible
for the amount due by the former - that when he requested the Dy. Comr.
to pay him the amount under dispute he told him that he has withheld
the said on account of money due to Govt. by others and that he might see
Comr Chikkahuddappa for the amount - that on 18-9-96 he
preferred an appeal to this office - that he was informed in Endorsement
No. $\frac{63}{870}$ of $\frac{19-9-96}{1}$ that his petition had been sent to the Dy. Comr. for

Dy. Comr. may be directed to return him the said Sum of Rs. 500/=

ABSTRACT.

States that ~~out~~ of the deposit which he had made for Abkari contract of the Mysore Sub Division for 90/91 & 91/92 Rs 5-00-0-0 is still due to him; that though he has been requesting the Depty Commr for the last two or three years the same has not been ~~given~~ paid to him; that the Dy Comr decided that he should pay 1/3 ~~to~~ and 2/3 shares respectively of the Toddy Revenue of the Sarvamanya villages of Arasunkere & Ganagur that such payment has not been made to the Inamdars either

either by previous or subsequent
contractors and consequently
by Court's decision is unjust;
that there is no connection between
his deposit money and
the amount to be paid to the Inamdars;
that upon his appeal the Deputy Court
passed the order without looking into either
the Sanad or the records connected therewith;
that it would have been just if he had
been made to pay the amount paid by either
the previous or subsequent contractors and
that he and Chicknuddappa were not
joint contractors and that consequently
he was not held responsible for the
amount due by Chicknuddappa and
that though he appealed long ago the
matter has not been decided.

He now requests that the
matter may be disposed of and the
deposit amount returned to him.

If so are the trees therein tabbed for the benefit of any & what shop? Does the Lambadi enter the Limits of this Village & any body witness what is here stated & there that the Monument of Rs 300 which the District Contractor used to may make, was on account of both this Village & Gamagamu? Dated Mysore September 13 1895.

From

The Deputy Commissioner,

The ~~Chief~~ Revd Secretary to the ~~Dewan~~ Govt of Mysore.

SIR. .

With reference to the Chief Secretary's Offcial memo No Pet 490 of the 19th September 1894 and remmders No 24428 Pet No: 1894 of the 24th June 1895 and No: 2494 Pet No: 497 of the 30th August 1895, calling for a report on the petition of Nilegiri Puttanna of Mysore, praying for the refund of Rupees 500 held in deposit in connection with his late abkarri Contract, I beg to state as follows: —

2. The petitioner Nilegiri Puttannah held the toddy Contract of the Mysore and the Serangapatam

Seringapatam Taluqs from 1st April 1890

to the 31st March 1892, and R. C. Moodappa

of the Nanjangud and four other taluks

for the same period.

3 Arsukere in the Mysore taluk and

Gangavoor in the Nanjangud taluk were

included in their leases. They are both

inam villages belonging to Mr. Gopalraj

Urs and have been under Government

management as per Government order No.

2068-9 of the 4th December 1887.

4. The persons that held the toddy

Contract of the whole district prior to

1890 were paying the Inamdar of the said

2 villages a lumpsum of Rs 300 per year for

both the villages on account of the toddy-

revenue thereof.

5. The toddy revenue of those villages

at

at the same rate of Rs 300 a year for the years 1890-91 and 1891-92 became due from the petitioner Nilgiri Puttamah and R. C. Muddappa.

6. Notices were issued to both of them to appear before the Deputy Commissioner on the 18th August 1893 with their accounts, if any, to shew what amount was payable on account of each of the two villages, with a note that if they failed to do so, proceedings would be taken to recover the dues according to rules.

7. R. C. Muddappa Contractor of the Ranjangud taluk filed a written statement dated the 6th September 1893, binding himself to pay on account of the Ganaganoor village in the Ranjangud taluk

taluk a half the said amount of 300 Rupees.

8. The petitioner Niligiri Puttamah the Contractor of the Mysore taluk in which the other village of Arsinkere is, sent his agent to say that it was hard to ask him to pay the other half the amount and proposed that the amount of 300 Rupees should be divided between him and the other Contractor in proportion to the amounts realized for the villages at the sales held by Government since the introduction of the present amani System.

9. During the sales held by Government the following Sums were realized viz-

For

	In 1892-93	In 1893-94
For Ganagamoor in the Ranjangud taluk.	72-"-"	108-"-"
For Arsukere in the Mysore taluk.		

This result shewed that there was nothing to be paid by the petitioner for the Arsukere village.

10. Upon this, however, the former Deputy Commissioner ordered on the 27th July 1894, that R. C. Muddappa the Contractor of the Ranjangud taluk should pay Rs 200 for Ganagamoor and the petitioner Rs 100 for Arsukere. For the purpose of carrying out that order 500 Rupees out of the deposit of the petitioner have been withheld and it is against this that he

he has now appealed to Government.

His contention is, that nothing is properly claimable from him for the village of Irsinkere for 1890-91 and 1891-92 inasmuch as it fetched nothing at the Subsequent Sales held by Government.

11. The enclosures of the reference under reply are resubmitted.

He requested the Dy Commr of Mysore several times to refund the amount of 500 Rs deposited by him. He has paid all the Govt: dues. The Dy Commr of Mysore has withheld the refund of the deposit-

The humble petition of Nilgiri
Pattanna Dêvanaj Mohalla,
Mysore

Respectfully Sheweth:—

1. That he was the Abkari
Contractor of the Mysore
Subdivision from April
1890 to December 1892.

2. That out of the deposit
amount lodged with the Govern-
ment for the due performance
of the said Contract a Sum
of Rs 5000/- has not yet been
returned to him by the Govern
ment though the petitioner
has paid all the Government
dues legally payable by him
under the said Contract.

3.

3. That the Deputy Commissioner of the Gunpowe district has withheld this amount because the lease amount of one the Samanamaya villages of Arasikere and Gangaguru has not been paid.

4. That the petitioner is not liable of any the payment of this lease amount. Arasikere belongs to this Subdivision and Gangaguru is within the Manjunde Subdivision the lease of which had been taken by Chickbundapura. The village of Arasikere was not paying any lease amount either to the Samanamayadan or to the Government, but after when the System of Farming out was withdrawn and after the present Ryotwise System was introduced. The latter village of Gangaguru was paying the lease amount but Chickbundapura within

which

whose Sub division this village is, is liable for this amount, but not the petitioner. Lakshmanappa and the Petitioner are not joint contractors. Thus, the Deputy Commissioner is wrong in having withheld the said amount of Rs 3500.

5. That the petitioner made several applications both personally and through pleaders to the Deputy Commissioner for the return of this amount. But he has not been pleased to give him any reply, nor has he returned to him this amount.

6. That upon this petitioner made several applications to Your Honours praying therein that the Deputy Commissioner may be directed to return this amount to him. One of those applications viz of 18-9-94 got him an endorsement

C/o:

(No. 17/110 of the December 6th/8th) that the application had been forwarded to the Deputy Commissioner for his report thereon. Nothing more has been done till now.

7. That this amount has been lying for a long time without any use to the petitioner and he has been deprived of the benefit he would have derived if this amount had been with him. He prays that reasonable interest on this amount may be given to him.

8. That petitioner therefore prays that an order at an early date may be passed directing the Deputy Commissioner to return to him the said sum of Rs 5000 as soon as practicable with such interest thereon as Your Honour may think proper under the peculiar circumstances mentioned above.

9. That the petitioner files

It is convenient to attend your Honors' office every now and then as he is in Mysore and so he has appointed his gumasta Chikkaramayya to attend to this matter in this office.

No. 184
Enclosure No. 1 finding

DEPUTY COMMISSIONER'S OFFICE,
MYSORE DISTRICT.
Dated April 1898.

To

The Secretary to the Government of Mysore,
Revenue and General Departments.

SIR,

With reference to Government Proceedings No. Petition 736 dated Camp Mysore 24/27th September 1895, calling for certain additional information regarding the application of Hiligeri Poottaunah of Mysore for the refund of Rs 500 held in deposit in connection with his late abkari contract, I have the honor to state as follows ——

The enquiry now held shews that there was no shop in Arsikere

13/a

In the office of the Deputy Commissioner
Mysore District.

Enquiry into the claim of the holders of the Sarvamanyam village of Ganaganur in Nanjungud Taluq, and of Arsinkere in Mysore Taluk, to the Toddy revenue of those villages.—

The present holder of the two villages in question is Mr. Gopal Raj Urs, and his gumasta Sibi Narsaiya has been deputed by the Palace Controller to explain the grounds on which the claim is put forward.

First, with regard to Ganaganur village. The village was granted as Sarvamanyam to Kristne Urs by the late Maha Rajah of Mysore under deed of gift dated 5th April 1826, which is referred to in the authenticated copy of the Inam Register filed. This copy as well as the Inam Title deed (also filed) clearly

says

says that the items of Sayer, Sendi and right to Forests, except sandal, are conceded.

Some documents have been filed to shew that the item has been all along enjoyed by the holder of the village. Among these are the following:-

1. Copy of account of Yanaga-hun village for 1881-82 marked A. This shews a demand of Rs 279-12-0 entered against the name of Contractor — Mooddappa on account of Eechala bale-
2. Copy of 10 years account of Yanaganun marked B. This shews the gamabundy amount on account of Sendi to be Rs 267 for each of the 6 years from Sookla to Bhava and Rs 305-0-6 for each of the 4 years from Yuva to Bahudhanya.
3. Muteyalika from the then Contractor dated 4th December 1868 marked C. This shews that the Contractor agreed to pay for Yanaganun village at the monthly rate of Rs 18-8-10.

or the yearly amount of Rs 222-10-8
from 1st November 1868 to 31st
March 1870.

The foregoing makes it clear
that not only is the holder of
the Sarvamanyam village
entitled to the Toddy Revenue
thereof, but has been also
enjoying it all along. His
claim to it must be accord-
ingly admitted.

How as regards the question
up to what period, the claim
of the holder to the toddy
revenue has been satisfied,
it appears from the statement
of Mr. Gopal Raj Urs's Gumasta
that it has been discharged
only up to the end of March
1887 and that payments are
still due for the subsequent
period

In Revenue Miscellaneous case
No: 15 of 1887-88, the Deputy
Commissioner (Mr. T. Ananda Rau)
ordered payment of Rs 1219-4-0
for 4 years from 1883-84 to

1886-87 at Rs 304-13-4 for the two villages of Ganaganur and Arsinkere though the amounts for each village are not separately shewn. There is a Receipt from the Palace Controller forthcoming to shew that payments were duly made, as per above order. No reference is available to prove payments for the subsequent period. The question of the amount due for the years 1890-91 and 1891-92 is under discussion. The new system of toddy administration came into force in 1892-93, and liability to pay since then devolves on Government. Mr R. C. Mooddappa was the person who held the toddy Contract of the Ranjungud Taluq during the two years 1890-91 and 1891-92 and as such, is liable to Mr Gopal Raj Urs

Mr. Gopal Raj Nro for the amount due for those two years. He will accordingly be called upon to shew whether he has discharged the claim, and if not, why he should not be required to do it now. Notice to issue, accordingly. The realizations from the sales held by Government since the introduction of the new system are as follows:—

	For Shop	For Groves
1892-93 ...	60-0-0	12-0-0
1893-94 ...	120-0-0	15-0-0
1894-95 ...	96-0-0	12-0-0
1895-96 ...	96-0-0	12-0-0
1896-97 ...	96-0-0	12-0-0

The total amount as above minus 5 per cent on account of cost of the Excise Establishment will now be paid to the Inamdar.

(sd) P. Srinivasa Rau
18/4/98.

As regards Arsikere, the documents filed are the following

Agreement entered into by the then Toddy Contractors agent to pay a monthly sum of Rs 1-10-11 for the Toddy tab for the period beginning with 1st August 1864 and ending with 31st October/68 dated 2nd September 1864 marked D.

Do .. Do .. dated 4th " December/68 shewing that the Contractor agreed to pay at a monthly rate of Rs 1-10-11 from 1st November/68 to 31st March 1870. (This is already marked C)

List shewing amount due on account of villages of Ganagamma and Arsinkere, sent from Mr " Gopal Raj Mrs's office to the Palace Controller. This shews that the yearly amount due for Ganagamma is Rs 279-12-0 at Rs 23-5-0 per month and for Arsinkere Rs 25-1-0 at

at- Rs 2-1-5 per month, total annual amount being Rs 304-13-4

As already stated, the amount of Rs 1219-4-4 awarded in Revenue Miscellaneous case No: 15 of 1887-88 is for four years, for both villages as specifically mentioned in the order. The amount is shewn to have been calculated at the yearly rate of Rs 304-13-4 which corresponds with the rate mentioned in the list produced from Mr. Gopal Raj Mrs's office. Though the order in the above Miscellaneous case does not shew the amount adjudged separately for each village, the information afforded by the documents filed, renders such separation possible, as it is clear that the total annual sum claimed

claimed viz Rs 304-13-0 is composed of two items viz Rs 279-12-0 for Ganagamm at Rs 23-5-0 per month, and Rs 25-1-0 for Arsinkeré at the rate of Rs 2-1-5 per month.

It is clear from the facts adduced above that the Inamdar has been enjoying the Toddy Revenue of Arsinkeré village. The question is whether he is entitled to it under the terms of the grant.

Copy of H.H. the late Maharajah Krishnaraja Wadiyar Bahadur's Sannad, filed, mentions "Eechala pyru" as among things conceded to the Inamdar and expressly reserves the right to sandal.

The Inam title deed contains the words "All other items except Abkary and Sandal are conceded".

Certified copy of the Inam Register, produced, contains the following words "Sharab or abkari and Sandal items

are Reserved, and the Inamdars may enjoy all items but those that have been lately abolished in all government villages". In a note added to the Register, shewing items enjoyed, the expression "Date trees" occurs. The question of title in this case accordingly rests on a right interpretation of the language used in the above documents.

How such language should be construed has already been decided by government in a case similar to the present one. In. Pro: No: 6621 Ex: 238 dated 19th January 1898, the government have held that in a case of this kind, the Inamdar is entitled under the new system of Toddy administration, to no

no more than the tree-rent from the date grove in this Inam village minus the cost of collection and the tree-tax as well as the revenue derived from the shop should be credited to Government. The Inamdar's title to the Abkary revenue being inadmissible under the circumstances, the question whether he is entitled to get anything on account of rent for toddy trees during the last 3 years remains to be considered. This question naturally depends for its answer upon how many toddy-yielding trees there are in the village, and whether those trees were actually tapped for the purposes of toddy by the Contractor.

It may be noted here that in a list prepared

in this office and sub-
mitted to Government in
June 1889, the number of
toddy-yielding trees in the
village is shewn as 500 or 600.
The Mysore Taluq Amildar
having been written to in
October/95 for information on
the subject, his report
dated 7th November/95 shews
that there has been no toddy
shop in the village since
1875, that before that date,
one is said to have existed,
that the village has no toddy
grove, that some trees are
found scattered in occu-
pied and cultivated lands,
that these trees do not yield
toddy, that no toddy was
ever exported from the village,
that when a shop existed
in the village before 1875,
it used to be supplied
with toddy from Harohally
grove, and that since
the

the new system of toddy administration came into force in 1892-93, there is neither shop in the village nor has the <u>toddy</u> been sold

Against these facts, the gumasta that appears for M/s Gopalraj Nro has nothing to say.

According to the Deputy Commissioner's award in Revenue Miscellaneous Case No: 15 of 1887-88 M/s Gopal Raj Nro has been paid the Inamdar's dues for the village at Rs 25-1-a for 4 years up to the end of 1886-87: so that M/s Gopal Raj Nro's present claim is for the subsequent period. In view of the facts above stated, the claim must be disallowed.

The Secretary to the Government of Mysore,

Sir,

In returning herewith, the original enclosures of your docket No. 11430/Ex 470, dated 9th June 1898, I have the honor to state that the Deputy Commissioner, Mysore district, has recorded that the claim to toddy revenue as regards Gangaganur village, is admissible, and that the same in the case of Arsinkere village, cannot be allowed.

2. In the accompanying authenticated copies of the Sannads of both the above villages, the word "Eachel pyroo" is included in the various items of revenue alienated to the Inamdar. If, in the case of Gangaganur, the word "Eachelpyroo" is taken to mean toddy revenue, then in the case of Arsikere also it should be taken to mean toddy revenue.

3. In the Inam Settlement Register of Gangaganur it is noted:- "The items of Sayer, Sendi (toddy) are enjoyed

enjoyed by the parties, as also the forests except Sandal which is reserved"; and in the items enjoyed "Sendi" is included. In the Inam Settlement Register of Arsinkere, it is noted - "Sharab or Abkari and Sandal items are reserved, and the Inamdars may enjoy all items but those that have been lately abolished in all Government villages"; and in the items of revenue enjoyed, "Date trees" are included. In one Register the word "Eachelpyroo" occurring in the Sannad, has been apparently translated as "Sendi", and in the other as "Date trees". It is clear from the accounts produced before the Deputy Commissioner and referred to in his finding that the Inamdar has been enjoying toddy revenue for both the above villages. As the words "Sharab or Abkari" are used in the Settlement Register of Arsinkere, the word "Abkari" as therein used should be taken to apply only to "Sharab" or Arrack, but not in its general sense to toddy also.

also; and therefore the item of toddy cannot be construed as having been reserved, more especially having regard to the general drift of the Sannad which alienates wholesale the whole sources of revenue excepting that from Sandal. Accordingly I am of opinion that the Inamdar is entitled to toddy revenue for both Ganaganur and Arsinkere.

4. The Government Proceedings No. 6621 / Ex 238, dated 19th January 1898, quoted in the officiating Deputy Commissioner's finding regarding Arsinkere village, relates to Dudgare' Inam village, in the Sannad whereof neither Sendi, nor "Eachelpyroo," nor Abkari is expressly mentioned as having been alienated to the grantee of the village. The case of Dudgare is therefore different from that of Arsinkere.

2. The District contractors used to keep some

Shops open and close others according to their convenience. Therefore they were to blame for not setting up a shop at Arsinkere where one appears to have existed before 1875.

That the Petitioner begs to lay the following to the favorable consideration and orders -

That your Petitioner has not favored with any final order to the appeal filed by him in connection with the refund of 500 Rs deposited by him for the Abkari Contract of Mysore Sub Division in the year 1892 with a view that a certain sum of money to be deducted out of the above said deposit amount of 500 Rs and paid to the Inamdar of Arsikere attached to the above Subdivision.

That your Petitioner further submits to point out that since the introduction of the Contract system in the Province upto the exp-piry of the Petitioner's Contract of Mysore Sub Dn. the said Inamdar has not paid a single pie, nor any Sannads or Hookums were produced by the Inamdar to establish such right as to the recovery of a certain sum of money due to him

That your Petitioner further represents that if the Government is satisfied that even in the absence of any such Sannads or Hookums, the Inamdar should be remunerated; the petitioner is bound to obey the order of Government & the balance remains still due to the Petitioner out of the deposit of 500 Rs may be kindly ordered to be refunded to him early.

is agreeable to a portion of the

the determination of the question
whether the Inamdar is entitled

or not. The record shows that
the Inamdar used to get from

the old system, a lump sum
of Rs 304-13-4 and this payment
is said to have been in
satisfaction of his claim
for the toddy revenue of both

the factum of payment
there seems to be no dispute
while there is one as to whether
that payment was being made
on account of both the villages
or only on that of Ganaganur.
However that may be, it is
clear that there is no justi-
fication for any longer with-
holding the whole of puttanna

deposit of Rs 500/-. According to Muddappa's contention, puttanna is liable to pay half of Rs 304-13 viz 152-6-6 on account of Arsukere, while according to the Dy Commr's report this liability does not extend to more than as 100/- Rs. In any event, such liability cannot exceed the former sum Government accordingly direct that this sum will be deducted and the balance of the deposit of Rs 500/- returned to puttanna at once without prejudice to his claiming the whole or any portion of the sum thus deducted, should it be hereafter held that no toddy revenue on account of Arsukere is payable to the Inamdar or that the amount withheld is excessive
